## **24. Start**

Standing start: Jetty start in compliance with UIM Regulations § 307 for all classes.

Start line = finish line. In order to be classified, a boat must cross the start line.

## **Class Formula ADAC:**

# ADVANCE PROGRAMME

Grand Prix of Germany

3rd Int. ADAC Powerboat Race Duren – 26/27 September 2015

- The positions for the sprint race 1 will be based on the timed practice.
- The positions for the sprint race 2 will be based on the results of sprint race 1, but in reserved sequence for the first four positions.
- The positions for the main race 1 will be based on the results of sprint race 1 + 2. Should have taken only one sprint race, the positions will be based on this one sprint race.
- The positions for the main race 2 will be based on the results of main race 1, but in reserved sequence for the first four positions.

## **25. Finish / Classification**

The race is finished when the race leader crossed the finish line. All the following drivers still in the race will receive the chequered flag and be classified accordingly.

Classification in compliance with UIM Regulations § 317.

In order to be classified, the participants must cross the finish line with the own engine power and take the chequered flag at the latest 2 minutes after the race winner.

The results of all heats in one class will be counted.

Participants may come to the paddocks during the race at their own discretion and carry out repairs permitted in compliance with the UIM Regulations. No other participant must be endangered whilst a boat approaches or leaves the paddock.

The points will be given according the UIM Regulations.

The points for class Formula ADAC will be allocated in accordance with the 2015 ADAC Motorboot Cup Regulations.
